Title: Ricardo's Research 7

Author: Ricardo.

I have discovered more
about the Crystal o'
Duplicity. I 'ad to pay
good stolen money for
this information so I be
recording it here.

It seems that Minax
herself stole the crystal
from Magincia, back
before it was destroyed.
I didn't know she had it
in her.

It seems it was hid
somewhere in Magincia by
someone. I must learn
more of this story.

The seventh and final
word o' power is 'uus'.
